

OFFICE OF EMERGENCY MANAGEMENT SERVICES

- Collaboration, facilitation and support of GRIC services during a disaster
- Disaster Preparedness
- Community Emergency Plans
- Community Right-to-Know (C-TERC)
- Public Health Emergency Preparedness (PHEP)

A disaster can strike at any time, any location, with little or no notice.

These disasters or emergencies create significant impact on the health of individuals, cause property damage, and economic hardship to individuals and the Community.

Community departments, in response to a disaster will take actions to mobilize and utilize resources to save and protect lives, property and resources.

OUR MISSION

The Office of Emergency Management is committed to... leading the Gila River Indian Community's emergency operations through a comprehensive system of emergency preparedness activities that enables efficient response to emergencies and disasters...

WHAT DOES THE OFFICE OF EMERGENCY MANAGEMENT DO?

We provide coordination and support to the first responders and the Community during a disaster by:

- Preparing for disasters
- Responding to emergencies
- Recovering from a disaster
- Lessening the impact when a disaster strikes

BE INFORMED DURING A DISASTER

- Listen to your TV or radio for the latest information.
- Be prepared to communicate using your cell phone or telephones by knowing or having access to important numbers.
- Look for door to door announcements.
- Listen for messages from public address systems provided by public safety personnel.

ARE YOU PREPARED?

Here are some actions that can help when disaster strikes!

GET READY: Create a Family Disaster Plan!

- Everyone needs to know what to do
- How will you communicate with each other
